Barbara Martin

making a difference to our community

As Chairperson for the Dunstable Council on Aging, Barbara handles our outreach efforts. She remembers all the town Seniors that are 70+ years old with a Birthday Card! She reaches out to Seniors that need someone to talk to, as often as they need. She is the COA liaison with the Greater Lowell Regional Technical High School. She will always supply a lasagna for our luncheons. She puts others before herself and we are so lucky to have Barabara on our Board.

The Board of Selectmen

making a difference to our community

Each member of the Dunstable Board of Selectmen - Ron Mikol, Leah Basbanes, and Kieran Meehan - gives (literally) countless hours of their own time and energy to making sure our town stays running. They each bring tremendous compassion, commitment, and patience to their post, and truly care about Dunstable and its residents.

Leah Basbanes caught

Kristina Hooper

making a difference to our community

Thank you to Kristina for her diligence in keeping the Road Commission organized and in line! She has been very helpful with the MS4 Storm Water process and is always eager to support the other boards when needed. Thank you Kristina!

Jon Swift caught

Jon Hughes

making a difference to our community

Jon is the driving force behind Dunstable's Journey and Jinglefest. Under his leadership, the event, now finishing it's third year, has grown more successful than ever. Dunstable felt like a Hallmark movie on December 2nd, and the small-town feel that we all love was on display.

Well done, Jon!

Nicole Tully

making a difference to our community

As the Swallow-Union Fun Fridays and Spring Fling organizer, Girl Scout Troop Leader, Operation Christmas Child coordinator and ambassador, 350th Celebration Committee member, and more - Nicole's creative energy and can-do attitude are a positive force we're so fortunate to have in our community.

Mary Dow

making a difference to our community

Mary is the Secretary for the Council on Aging. In addition to that responsibility, she does the shopping for our Wednesday lunches, serves, and helps with cleanup. Mary regularly attends programs at River Court and Friends of the Tyngsboro Seniors as the COA Representative. We are lucky to have her continuing assistance. Thank you Mary!

Robyn DeAngelis caught

Mary Beth Pallis

making a difference to our community

**Mary Beth served as Library Director for
over 20 years and served her community
very well.**

She will be missed!

Michael & Siamara Fahy

making a difference to our community

Michael's extended family has a long history of community involvement in Dunstable, and as a newly married resident, he and his wife, Siamara, are following suit. While Michael served as a member of Dunstable's 350th Anniversary Celebration Committee, both he and Siamara rose to many occasions to help with 350th merchandise sales and event support, with Michael taking turns as event emcee. Though they both juggle multiple jobs, they've selflessly given their time (and use of their truck) and greatly helped to make the 350th events successful.

Patrick Kerrigan

making a difference to our community

Along with other Dunstable Firefighters, Nashua, and Groton responded to a chimney fire at our home in November. Deputy Chief Kerrigan was thorough, professional, and polite. It was a great comfort to myself and my husband to have such a competent professional looking out for us and our property.

There was an additional call when smoldering ashes were found in the wall behind our wood stove. Again, prompt, professionalism from Deputy Chief Kerrigan put us at ease. Dunstable is in good hands with Will Farrell &

Patrick Kerrigan at the helm of our Fire Department. Thank you!

Sue Fayne caught

Jeff & Orion Fayne

making a difference to our community

Jeff and Orion Fayne have been volunteering their time for our community for many years now, both unofficially and officially. Jeff and Orion have been the official photographers of the past 2 years Memorial Day Parades, and they were there at every 350th Anniversary Event snapping away to ensure the Town had photographic memories for years to come. Not only did they spend the time taking the photos, but then Jeff took meticulous care during the editing process.

Thank you Jeff & Orion for making a difference to our community!
